St. Stephen Preschool 2ND ANNUAL DONATION DRIVE

St. Stephen Preschool is trying to raise \$5,000 again this year towards operating costs and future scholarships. If you have any items you would like to donate, you can bring them to the preschool during school hours or drop them off at the Country Attic in Rifle. If you have large items we can also pick them up for you at your convenience. The Country Attic will donate 100% of the proceeds back to the school.

Thank you for your help!
Kari Kuersten and Donna Ward

Items we cannot accept: Large appliances, tube TVs and computer equipment.

We will accept furniture, clothing, small appliances, dishes, collectables, and seasonal items. All items must be in good condition.

4TH GRADE FUN

The 4th grade class went to Denver last week for their annual tour of the State Capital building. In addition to visiting the Capital, they also toured the Colorado History Museum, had a walking tour of the old downtown of Denver, visited the Mother Cabrini Shrine where they also participated in a Mass service. It was a fun and busy two days. Here are a few snapshots of their trip.

Hello everyone. We had another great SLOPE night last week. The topic was on Vocations. We were fortunate enough to have both Fr. Bert and Fr. Joseph join us. They did a great job explaining all the different types of vocations as well as sharing their personal vocation stories. The takeaway was that God has a plan for each and every one of our lives. We have to be open to God's will in our lives, and this can only happen if we are open to all the possible vocation paths.

Next week will be our last normal SLOPE night. Inspired with the power of the Holy Spirit over Pentecost Sunday, we will be taking a closer look at evangelization. May 22nd is the last SLOPE night with a BBQ, celebration, field games! Please see the church website under the youth ministry tab to find information on all our youth events this summer.

◆ What to Expect as a Springer:

- To have FUN ☺ and to make new friends
- To learn how to live a healthy life
- To challenge yourself, to work hard, and to set goals
- To learn about the vast and exciting world of track and field
- To learn how to be a good teammate and the value of sportsmanship

Quotes from Former and Current Springers:

Carly Setterberg (GSHS State Competitor)— “Springers exposes you to everything about track and field and gives you experience and confidence going into high school track. You learn about all of the different events so you know what you like and are good at. Springers provides you with a good base for any sport you participate in.”

Daxton and Burgandy DeHerrera (USATF State Competitors)— “Springers and Coach Abbey teach us how to run and use our bodies to keep us healthy, and that teaches us about so many other good things in life.”

Reid Swanson (USATF National Competitor)— “It’s really fun. You actually play a lot of games, and you get to compete. Why wouldn’t you do Springers?”

Alex Cutright (USATF National Competitor)— “When I got to high school track I knew what I liked and was good at from trying lots of different events in Springers. It gave me the chance to improve instead of having to learn new events during the season. By attending track meets in the Denver area, I wasn’t nervous about going to high school track meets with lots of competition. I knew what to expect.”
