SCRIP PROGRAM

We are in need of a willing parent who would be able to take over the management of our Scrip program. You would be responsible for maintaining our school stock, placing the bulk orders on the 15th and the end of the month and tracking our inventory. You would work closely with Ms. Arahana Contreras in regards to inventory and orders. If you are interested in this opportunity, that can be mostly done at home, please contact Mrs. Glenda Oliver.
