**THE GOOD NEWS in First Grade:**

The first graders celebrated the 100<sup>th</sup> Day of School recently. To show our school spirit and commemorate this special day, they dressed up as 100 year olds! The first graders and kinders also participated in numerous fun activities related to the number

100. They created a structure out of 100 cups (science and engineering), drew a picture of themselves at 100 years old (art), counted out 100 pieces of popcorn by 10s (math), made a necklace made out of 100 beads (fine motor), did 100 exercises (P.E.), and much more!

**HAPPY 100TH DAY OF SCHOOL!!**
